Product description:

Robert Parker's Wine Advocate (William Kelley, février 2020) : 93-95+/100. *Scents of wild berries, cassis, peonies, licorice and potpourri preface Duband's 2018 Latricières-Chambertin Grand Cru, a full-bodied, fine-boned and elegant wine with a lovely spine of acidity, refined tannins and a concentrated core of fruit. Deep and incisive, this might be the domaine's finest grand cru in 2018, though it faces stiff competition.*
