Product description:

Product short description:

Robert Parker's Wine advocate (Y. Castaing, juin 2024) : 90/100. *Aromas of pear, herbs, white pepper and spices preface the 2022 Midi, a medium-bodied, satiny and pure wine that's precise, tense and saline with a long, delicate finish. Crafted from vines planted in the commune of Brézé, on sandy, clay soils facing southeast, it was matured only in steel tanks. DRINK DATE 2025-2033.*
